Individuelles Design

Do you already have your own design idea in mind for your jerseys?
Then simply send us your design and we will realise it together with you.
The more detailed the design is, the better we can realise your idea.

If you don't have an exact idea yet, but would like a customised design that is not available in our range, our Creator Team will be happy to develop a design together with you, and if logos need to be adapted to achieve a satisfactory sublimation result, we will be happy to support you.

As the design process involves some effort, we charge a service fee of €50 per hour.
The amount of work involved depends on the complexity of the desired design.
We can give you an initial estimate as soon as we have all the information we need,
so please contact us directly if you have any questions: creator@uhlsport.de

Size sets

If you are ordering from us for the first time, or you would like to try on the jerseys again in advance, you can request size sets from us free of charge and have 14 days to try them on. After that, simply send the items back to us with sufficient postage.
